FROM THE OWNER

Dear Fans:

It is our pleasure to welcome you to AT&T Stadium.

As we enter our second decade of operation, we again open our doors with a deep sense of pride in both our venue and the Dallas Cowboys. This is a world-class stadium that is home to one of the most storied professional sports franchises in American history.

The mission of AT&T Stadium is to define the cutting edge of technology and the fan experience, while also being able to attract the very best events that the world has to offer.

Surpassing the excitement and entertainment value that we all enjoyed in our first 10 seasons is a lofty challenge, but our aim is to always get better and to set the bar just a little bit higher.

Over the previous several years, our stadium has played host to the NBA All-Star Game, the Super Bowl, an NCAA Men's Basketball Final Four, the annual Goodyear Cotton Bowl Classic and the first-ever College Football Playoff National Championship in the new playoff format. We have also welcomed unprecedented concert performances from the likes of George Strait, Paul McCartney, U2, Kenny Chesney, Taylor Swift, Beyoncé and The Rolling Stones. Several other high-profile events – most notably the Academy of Country Music Awards in 2015 and WrestleMania in 2016 – continue to help establish AT&T Stadium as the premier venue for sports and entertainment.

World boxing titles, major college football games, Supercross, Monster Jam, Professional Bull Riding and the Texas high school state football championships are among the wide variety of events that have drawn several million visitors to AT&T Stadium, while more than a million additional guests annually have roamed the corridors, playing field and locker rooms through daily stadium tours. With versatility and cultural contribution serving as creative motivations for its design, AT&T Stadium is also home to one of the world's largest collections of contemporary art under the world's largest roof.

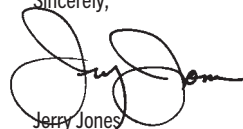

Experience over 50 pieces of art that occupy nearly 100,000 square feet. Take in two of the largest video boards that have ever been created as a compliment to the most popular sports attraction in North America – NFL football.

Whether the retractable roof is open or closed, the sky is the limit for AT&T Stadium in the months, years and decades ahead. The primary goal for our home is to deliver an experience that is both unprecedented and unforgettable, the inspiration for that grandeur having been provided by generations of Dallas Cowboys fans.

The venue was designed to be bigger and better than anyone could have ever imagined – because bigger and better is what Cowboys fans expect from the Dallas Cowboys.

In 2019, we also welcome you back to cheer on the defending 2018 NFC Eastern Division Champion Dallas Cowboys, and we hope you enjoy your experience at AT&T Stadium.

Sincerely,

Jerry Jones

Season ticket accounts may be managed online by going to DallasCowboys.com and selecting Cowboys Account Manager. Payments, address changes, ticket transferring and posting tickets for resale are all available through Account Manager. Your email address and password are required. Contact the Ticket Sales Office at (817) 892-4400 for assistance in registering a season account.

Address Changes

It is important that the Dallas Cowboys have the correct address for invoicing and ticket mailings. It is the responsibility of the Season Ticket Holder to notify the Cowboys of any change of address to ensure prompt delivery of tickets, notices and other dated ticket information.

There are two ways to report an address change during the year. Address changes are not accepted over the phone.

1. Change address online through Account Manager.
2. Email change of address to addresschange@DallasCowboys.net. The email address must match the email address associated with the account.

ADA ticket fraud includes, but is not limited to, the misrepresentation of a disability. Management reserves the right to take appropriate action regarding misrepresentation, which may result in relocation, revocation of tickets without refund or ejection.

Away Games

The Dallas Cowboys do not sell away game tickets. Fans should contact the away team's website or ticket office for ticket availability.

Children's Ticket Policy

For Cowboys games and most events, children under the age of one (1) year old do not need a ticket to enter AT&T Stadium. They must be seated on an adult's lap and not interfere with the sightlines of other guests. Other events may require all children, regardless of age, to have a ticket to enter the stadium. For specific information regarding the children's ticket policy for a particular event, please call the AT&T Stadium Ticket Office at (817) 892-5000 or the Guest Services Hotline at (817) 892-4161.

Flexible Scheduling

The NFL will continue the flexible scheduling process for the latter part of the season. These changes will be made with less than two weeks' notice to the participating teams and fans. NFL teams may advise their Season Ticket Holders of these time changes via email, so it is very important for the Ticket Office to have correct email information. The changes will also be communicated via print, radio, television and internet media, as well as online at DallasCowboys.com.

Standing Room Only Tickets

The Cowboys sell Standing Room Only (SRO) tickets to select Cowboys games and other major events. SRO tickets are valid for stadium admission and access to designated standing room areas. Guests with SRO tickets who sit in a stadium seat will be ejected from the stadium. Guests with SRO tickets may watch the game from open areas or platforms. Standing is not permitted in entryways, aisles, areas of seating sections or in wheelchair and companion platform seating areas. These guests are expected to act responsibly and observe the stadium Code of Conduct, smoking and alcohol policies. Violators of stadium policies are subject to ejection, arrest and revocation/cancellation of tickets. For ticket information, please call the AT&T Stadium Ticket Office at (817) 892-5000 or visit DallasCowboys.com.

Postseason

Prices for the postseason are established by the NFL. All Season Ticket Holders will be invoiced for their current seat locations for any home playoff games. Playoff invoices may be mailed as early as mid-November (upon direction by the NFL). Any unused portion of playoff payment will be credited toward the following season or refunded.

Season Ticket Holders have the option to "Pay As We Play" for postseason tickets.

With this option, a credit or debit card is securely stored and charged only if the Cowboys host a postseason game.

Any remaining playoff tickets will be released for public sale. Check DallasCowboys.com for on sale dates.

DALLAS COWBOYS FOOTBALL CLUB

One way to look at the rich history of the Dallas Cowboys is with numbers: an NFL-best 20 consecutive winning seasons from 1966 to 1985; eight Super Bowl appearances and five Super Bowl victories; one of only three teams to win more than one Super Bowl in two different decades (1970s and 1990s); and the first team to win three Super Bowls in a four-year span (XXVII, XXVIII and XXX).

The other way to look at the Dallas dynasty is through the eyes of its nationwide fan following. Often called America's Team to reflect their coast-to-coast (and even worldwide) popularity, the Cowboys annually produce top television ratings and entered the 2018 season having played in front of 257 straight sold-out stadiums (home and away).

One of the reasons for the team's success on and off the field is the quality of its leadership. Since their founding in 1960, the Cowboys have had just three owners and eight head coaches, including four who have won at least one Super Bowl in their careers.

For its first 29 seasons, Dallas was led by president Tex Schramm and head coach Tom Landry. During Clint Murchison's ownership of the team (1960-1984), the Cowboys won two Super Bowl titles. When Jerry Jones purchased the club from Bum Bright in 1989, he brought in Jimmy Johnson (1989-93) as head coach, and the Cowboys earned world titles in 1992 and 1993. Barry Switzer (1994-97) then succeeded Johnson with a championship in 1995 with Chan Gailey leading the Cowboys to a division crown in 1998 and a playoff berth the following year as well.

Bill Parcells, a two-time Super Bowl winner with the New York Giants in the 1990s, was hired in 2003 after a three-year run by Dave Campo at the head coaching position. Parcells guided the Cowboys to two playoff appearances in his four years at the helm before retiring after the 2006 season. Following Parcells was Texas native Wade Phillips, who guided Dallas to a 34-32 record before giving way to Jason Garrett as the interim head coach during the 2010 season. Garrett finished his half season with a 5-3 record, and was then named the team's permanent head coach on Jan. 5, 2011, becoming the first former Cowboys player to earn the honor.

A succession of top players at every position has helped ensure that every Cowboys era has been a winning one. Stars of the 1960s and 1970s included quarterbacks Don Meredith and Roger Staubach, running backs Don Perkins and Tony Dorsett, wide receivers Bob Hayes and Drew Pearson, offensive lineman Rayfield Wright, defensive linemen Bob Lilly, Ed "Too Tall" Jones and Randy White, linebacker Lee Roy Jordan and defensive backs Mel Renfro and Cliff Harris.

In addition, several members of the Cowboys' 1990s teams have been considered

among the NFL's all-time best. That group features Pro Football Hall of Fame inductees such as quarterback Troy Aikman, wide receiver Michael Irvin, defensive end Charles Haley and the NFL's all-time leading rusher, Emmitt Smith. Dallas has since spent time trying to recapture the glory of earlier years by developing a host of talented players. The club boasts several Pro Bowlers on its current roster, including quarterback Dak Prescott, running back Ezekiel Elliott, wide receiver Amari Cooper, offensive linemen Tyron Smith, Travis Frederick and Zack Martin, defensive end DeMarcus Lawrence, linebackers Sean Lee and Leighton Vander Esch and cornerback Byron Jones.
