### Suite Cleanout

During the offseason, we have been closely monitoring the expiration of all beverage products in suites. At this time, the beverages currently in your suite may have expired and should be disposed of prior to the start of the season.

We have offered some time slots over the summer to clean out any expired products. If you were unable to make those times and still need to schedule a visit, please call your Legends Suite Services contact or the Legends Suite Services line at (817) 892-4550 with the date and time you plan to arrive.

Any product that you wish to dispose of should be set on the counter inside your suite. If you would like for your Legends Suite Service Coordinator to assist, please send your request in writing and we will be glad to dispose of the product for you.

We are proud to provide southern hospitality to make your suite experience exceptional for the 14<sup>th</sup> Dallas Cowboys Season at AT&T Stadium. Please do not hesitate to contact [Legends Suite Services Coordinator] at [email] or [phone number] if you have any questions or concerns.

Thank you,
